DEDICATION

MR. GEORGE G. MAXFIELD

Many years of devoted service, a real desire to inspire scholastic excellence, a sincere interest in his students, these are among the qualities which characterize Mr. Maxfield. For his contribution to the development of a fuller life for students through his science classes we are grateful. May his years of retirement open new horizons of interest and activity, and may the years be filled with good health and much happiness.

Margret,
Best of luck
always. It's a sweet
Class buddy. Stay as
you are and may you
always find happiness.
Nanette

MISS ETHEL STILES

A quiet, religious, Christian woman who has been devoted to her duty; always interested in her students, and constantly striving for perfection in attitudes as well as skills in their training, Miss Stiles has served her school and her students in a most devoted manner throughout her tenure of service in the Lima Public Schools. She will long be remembered for her gracious contributions to all of us as a friend and teacher, and her place will be very difficult to fill.

To a real sweet girl
Stay as sweet
as you are
Best of luck
Don Stevens

MISS JEANETTE STUART

Capable, dependable, versatile, energetic, knowledgeable, are five distinguishing adjectives that describe Miss Stuart's teaching of English, speech, radio, and television, as well as her leadership as the senior class sponsor and civic participant.

Who will ever forget those Senior Class picnics—the money making smorgasbords—the selection of the school gifts?

But most inspirational of all her many contributions to our school are the precious memories of the beauty of the "Christmas Story" as enhanced by the impressive tableaux which she so expertly devised.

Thank you, Miss Stuart, for everything.

Peg.
A real nice girl. You're also very cute. May you always retain the best of friends.
Always - Betty Hunter

DEDICATION

MRS. ZALIA H. SUNDFOR

Her friendly smile and her sympathetic understanding will be missed by students and faculty alike. Her patience in listening to students' problems caused them to seem less acute. Her active participation in church and community affairs as well as school has made both Senior High School and Lima better places to be.

"If I can stop one heart from breaking, I shall not live in vain."

SEATED: Mrs. Herbert McBeth, Clerk-Treasurer; Mr. Oscar R. Jacobs; Dr. H. R. Stallbohm; Mrs. Sheldon Ackerman, President. STANDING: Mr. Calvin Workman, Dr. Emmett Murray, Jr., Mr. H. E. Martin, Superintendent; and Mr. Harry Gross, Assistant Superintendent.

HARRY E. MARTIN
City Superintendent of Schools

MEMBERS OF CLASS OF 1964:

It is a real privilege to be a part of, and to congratulate you upon, your graduation from Lima Senior High School. You are now terminating a period of twelve of the most important years of your life. You have had the opportunity to build the foundation for your future life with the help of one of the finest staffs of teachers available. It is our hope that this foundation will lead to a successful and happy life for each of you. The records of the classes before you, and the ratings within the State Department of Education, indicate that you have had the privilege of attending one of the finest schools. It is our fond hope that you took full advantage of the opportunity your community provided for you.

Education is guided experience in and preparation for living. It should consist of the opportunity for the individual to develop his abilities to their fullest, and to attain those learnings necessary for living within his group. Our schools have been planned to further these goals. Thus you have been able to learn those things essential to a more meaningful and useful life in your family, in your vocation, and in your community. This diploma which you receive on June 5, 1964, will represent a real achievement of your part.

May I congratulate you and express my hope for a very successful and profitable future for you.

Sincerely,

HARRY E. MARTIN,
Superintendent of Schools

HOWARD W. SCHEUERMAN, Principal

CLASS OF 1964:

Lima Senior High School, the high school which you proudly recognize as your Alma Mater, was organized and will continue to be operated as a comprehensive senior high school. The outstanding objective of the teaching staff of such a high school is the maximum development of every student who enters its classrooms.

The fine accomplishments and the honors achieved by the class of 1964 individually and collectively on the athletic fields, in the classrooms, and in the concert halls clearly indicates that we are well on the way to the fulfillment of our major objective. For your accomplishments and the splendid honors won, we extend most sincere congratulations.

However, before we can safely conclude that all of you have benefitted from your experiences in this school, we must carefully evaluate the events and the actions in which you will participate during the years ahead.

The faculty sincerely hopes that the classroom activities, the opportunities to work together, the teacher relationships, the information made available, and the procedures learned have been of such value that you will be able to assume, without flinching, the great responsibilities which will be placed upon you by the events of the future.

We challenge you to continue to be honest in your dealings with your fellow citizens; to recognize their different opinions and beliefs; to work together for the good of your community, state, and nation; and to maintain the courage to hold to those ideals which you know deep in your heart to be true.

SPARTAN ECHO

Another year has passed and for some it is ending a year of gladness and for others—sadness. The Spartan Echo Staff has again tried to provide a pictorial and written record of the many events. There is some material lacking because it was not made available to the staff by responsible persons.

But without the help of many other people this yearbook could not have been possible. We thank our typists Nancy Crider, Karen Stevenson, and Brenda Fields for typing the senior information sheets; Mr. Rex and his photographers for their many pictures; Mrs. Johnson and her journalism classes for editing the activities articles, Mr. Koon and the distributive education classes for the advertising section; Mr. Bright for handling the financial matters, and both the Lima Citizen and the Lima News for pictures. —The Staff

EMILIO ALVAREZ

HIS SISTER, CARMEN

OUR FRIEND FROM SPAIN

We enjoyed Emilio Alvarez as our exchange student this year. Emilio was sponsored by the American Field Service with the cooperation of the local Kiwanis Club. While here he made his home with Mr. and Mrs. Franklin Mack.

During his year at Lima Senior High, Emilio participated in several school activities. He was a member of the stage crew, student council, Adelphi Hi-Y, Key Club, Radio-TV Club, Los Sombreros Altos, and took part in the Christmas assembly. He acted as interpreter in the mock political convention.

Emilio hails from 43 Claudio Coello, Madrid, Spain. He completed school and was graduated before coming to Senior High. When he returns home he plans to enter medical school and perhaps return to the United States for internship and specialization.

Emilio will leave Lima late in June. He will have an extended trip to Washington D.C. and New York City, completing his stay in this country. At home he will be welcomed by his mother, father who is a surgeon specializing in diseases of the heart and lungs, and by his brother Jose-Luis and small sister, Carmen.

We do hope you have enjoyed your year at Lima Senior High as much as we have enjoyed having you as our friend and classmate. And from all the students and faculty of Lima Senior High, we send with you our best wishes for a life filled with success and happiness.

HISTORY OF THE CLASS OF 1964

As entering Sophomores in September, 1961, we were eager to follow the traditions and precedents set forth by the preceding classes. Determined to leave some favorable mark of our own, we set out at once to build a solid class with this goal in mind.

To lead our class through our first year, we elected Rick Newland, President; Charles Smith, Vice President; Sally Dumm, Secretary; and John Hoffmann, Treasurer. During that year we went to our first football game and were thrilled with our first after-game dance. Obie Mouser was elected to be our cabinet member at the Inaugural Ball. As the year came to a close, we selected Linda Burke as attendant to the May queen. After a year of many and varied activities, we now felt we were really a part of Lima Senior High School.

Having become upper classmen, we took an even more active part in sports, music and drama the following year. Our "Local Boys, 158" came into full swing as our basketball team went to the Regional Tournament.

But our school spirit didn't lag when the baseball team went to the State Tournament for the fourth consecutive year. Our cabinet member was again Obie Mouser. This year we selected Peggy Neal as our May queen attendant. Our year was climaxed with the Junior-Senior prom which was called "Springtime Fantasy." Our class officers this year were Charles Smith, President; Terry Fetters, Vice President; Sue Hedger, Secretary; and Denny Sprague, Treasurer.

As we entered the doors in September, 1963, we felt we had finally reached the summit. To get the year started with a bang, we won the G.O.L. championship with Richard Hardesty, Dennis Anspach, Dennis Sprague, Billy Mayo and Davey Reynolds earning positions on the All-Star G.O.L. team and our coach being selected coach of the year.

Our homecoming queen was Susan Stewart with Linda Burke, Leslie McCullough, Peggy Neal, Dixie Roberts, Sylvia Thomas and Sue Zuber as attendants. Leslie McCullough had the distinction of being the first girl elected President of the Student Council. Our class officers for the year included Richard Hardesty, President; Steve Mauk, Vice President; Lee Ellen Shuman, Secretary; and Denny Sprague, Treasurer.

Denny Sprague was elected President and Richard Hardesty and Obie Mouser, vice presidents for the Inaugural Ball in February. Linda Burke and Richard Hardesty had the leads in the all-school play .

In April we had the annual Smorgasbord to earn money for the class gift. As our high school career drew to a close, we had a successful spring sports season; many scholastic awards, honors and scholarships were awarded; an exciting prom; and a fun-filled Senior picnic. All this was climaxed by baccalaureate and commencement.

As we leave Lima Senior High School, we not only give the underclassmen the Spartan shield, but also extend to them a challenge to keep the traditions and precedents that we have upheld.

—Lee Ellen Shuman

ALMA MATER

Hail to thee proud Lima,
Colors fine and true.
Many thoughts our hearts will cherish,
Though we're far from you.
In thy halls of truth and learning
Linger mem'ries dear.
Every voice will hold a yearning,
Never disappear.
Alma Mater, Alma Mater,
Lifting every hand.
May your sacred halls and towers,
In our mem'ry stand.

FIGHT SONG

Fight on Lima, fight to the close,
Pull your colors through.
Fight on Lima, Those you oppose
Cannot conquer you.
Though the contest be hard to win,
We'll keep calm and cool;
For our brave Lima Boys
Will bring victory to our high school.

SENIOR Y-TEENS

Faculty Advisor: Miss Mary Weadock
YWCA Teen Advisor: Miss Cordelia Morris

Membership in Senior Y-teens, a service club co-sponsored by the YWCA and Lima Senior High School, is open to any senior girl who wishes to become a better citizen and to grow in friendship with people of all races, religions, and nationalities and in the love of God. These are the goals of Y-teens.

Service projects this year centered around the children of Lima. Several girls devoted their Saturday mornings to work at the Mizpah Mission, and the entire club sponsored a Christmas party for the Allen County Children's Home.

This year the money-making project was selling mums for homecoming. In accordance with Christmas custom, Senior Y-teens participated in the "Hanging of the Greens" at the YWCA.

Talks by guest speakers such as Mrs. Niles Schuh, the Mrs. Ohio of 1963 and Al Scrivner, varsity football coach, and field trips to the Lima State Hospital and Siferd's Funeral Home gave diversity to programs.

The annual Y-teen Conference, held at Ohio Wesleyan University in Delaware, Ohio, was attended this year by Patsy McCluer, president.

Patsy McCluer, President; Sue Zuber, Treasurer; Janet Hornung, Vice President; Suzi Seitz, Secretary; Natalie Epstein, Inter-club Council Representative.

THE ADELPHI HI-Y CLUB

The Adelphi Hi-Y is a service club of Lima Senior High School. Membership is open to all senior boys regardless of race, religion or national origin.

The Adelphi Hi-Y's main purpose is "to create, maintain, and extend throughout the home, school, and community high standards of Christian character."

The club is operated chiefly by proceeds obtained from the sale of basketball programs.

Activities which the club participated in this year include: sending Lima Senior High's exchange student, Emilio Alvarez, to the "Youth in Government Conference," contributions to the YMCA's "World Service," participation in area council meetings, giving talks to the grade schools concerning Halloween activities, participation in the Good Friday breakfast at the YMCA and two boxing glove-basketball games during halftime of the Middletown and Bryan basketball games.

Charles Smith, Jim Doute, Bob Flanigan and John Micha appeared on WSPP's television program "Emphasis on Youth."

This year, a $150 scholarship will be presented to a senior member of the Adelphi Hi-Y.

The club meets every second and fourth Monday at 7:30. The third Monday, we have a gym and swim night. We try to have a speaker once every month.

Officers this year include: Charles Smith, president; Bob Flanigan, vice-president; Jim Doute, secretary; John Micha, treasurer; Ron Ruben, chaplain and John Sealts, martinet.

Chairmen of the various committees were Mike Rank, social and John Micha, program. The club's advisor was Mr. John White.

JUNIOR Y-TEENS

Using keys to open the doors to understanding, fellowship, service, recreation, and leadership, each Junior Y-Teen has grown as a person through service to others; increased awareness of home, school, and community problems; and self-improvement.

As service projects, under the direction of advisor Mrs. Ruth Baumberger, the Junior Y-Teens started a children's library at both hospitals, sent scrapbooks to teens overseas, and read and helped feed children at the Mizpah Mission.

During the year, president, Debby McGough, held many cabinet meetings to discuss club activities. Vice-president, Pat Rector, and program chairman, Leslie Smith, assisted in making the club efficient and worthwhile.

Officers included also Ellen Mumma, secretary; Charlene Sexton, treasurer; and Barbara Rabe, Inter-Club representative.

SOPHOMORE Y-TEENS

Sophomore Y-Teens are a group of girls working together to achieve the Y-Teen goals: to grow as a person; to grow in friendship with people of all races, religions, and nationalities; and to grow in the love and knowledge of God. Through Y-Teens girls begin to develop in thinking and mature in the understandings of themselves and others.

The officers for the year have been Nancy Shoemaker, president; Janet Graham, vice president; Marsha Howard, secretary; Libby Williams, treasurer; and Miriam Bowers, Inter-Club Council representative.

The girls meet every other Thursday, under the leadership of Mrs. Connie Niemeyer.

This year they put their energy behind the tasks of preparing a Thanksgiving basket, holding a Saturday story hour at the Mizpah Mission, ringing bells for the Salvation Army at Christmas, planning a skit for the enjoyment of the club, and presenting the annual Y-Teen dance. They also set up a correspondence with teenagers at the Ottawa Valley Hospital and made Easter tray favors for the patients there.

This summer they plan to initiate the incoming sophomores.

Funds came from the sale of Spartan tags, operating a concessions stand at a basketball game, an Easter bake sale, and the selling of May Day corsages. An individual science project is the key that admits the student to this club. To get several of those projects entered in the Northwest district science fair at Bowling Green State University was the rewarding experience of several members.

Eager to create an interest in science among younger boys and girls, Science Club members visited sixth grades of the city and became teachers conducting demonstrations and leading discussions. Each program lasted approximately thirty minutes. Members of the club organized and wrote the programs, which elicited the attention of the younger pupils.

In their meetings, the club had talks and discussions covering a wide range of scientific topics.

Taking gifts and cookies to one ward of the State Hospital was their service project at Christmas.

Any home arts student is eligible to be a member of the council, one member being chosen from each home arts class.

Each year the staff strives to improve the quality of the *Spartan Spotlight* by bringing the students and the faculty the current news of the school.

Staff members often work after school and on week-ends to meet the deadlines for the seven issues per year. But for a student with a good English background and the determination to succeed, the work is enjoyable. Putting out an expanded issue in connection with the Mock GOP convention held April 3 was the biggest challenge to the staff in 1963-64.

Journalism is a wide-open field. Good journalists can expect a relative high starting salary plus rapid advancement. For the past four years the *Spotlight* staff has had at least one student choose journalism as his career and enter college to continue studies in that field.

LE CERCLE FRANCAIS

A French atmosphere prevails in the Little Theater when Le Cercle Francais, with Miss Ann Stanley as advisor, meets there each month. Songs, games, and speakers, a la francais, add a touch of French atmosphere to the meetings.

Miss Mary Beery spoke at one meeting on her personal experiences while touring France. Also speaking of Europe from first-hand knowledge was Frank Suty, translator for Baldwin-Lima-Hamilton.

Christmas carols in French rang out from their meeting room as the Yule Season approached. The year ended with a picnic honoring the graduating seniors.

At the first meeting in the fall the following officers were elected: Karen Andrews, president; Leslie Smith, Vice-President; Jane Elsner, Secretary; and Kay Timmermeister, Treasurer.

This year the club inaugurated a new procedure—electing one person, from the first- and second-year French students to represent them in the cabinet. First-year representative was Sandra Sylie; and second-year representative, Linda Meyers.

FUTURE MEDICAL CAREERS CLUB

The Future Medical Careers Club, with a membership of 26 girls in grades ten through twelve, encourages students to enter medical careers and acquaints them with that professional field. This years programs included the showing of several films and visits to the Lima State Hospital, Siferd's Funeral Home, the Practical School of Nursing, and Memorial Hospital. At Memorial, each girl was assigned a student nurse who took her to dinner in the nurses' cafeteria, gave her a first-hand account of the activities of a student nurse, and showed her the nurses' home.

As a service project the club folded and stuffed Christmas seals for the Christmas letter of the Allen County Tuberculosis and Health Association.

STUDENT LIBRARIANS

Each year several students are chosen to assist with the many tasks involved in the circulation of library materials.

These library assistants must have a grade average sufficiently high to permit their use of regular study-hall time for library work and a willingness to serve.

Their duties include the charging of books at the circulation desk, shelving books, processing, and helping students find material.

The entire school is grateful to this group for their hours of service.

SENIOR CHOIR

To enrich our lives through a better understanding of music is the principal purpose of the Senior Choir. The Choir, under the direction of Mr. Ronald W. Richards, is introduced to all phases and types of music of the highest caliber. The musical group is composed of 104 members, both seniors and juniors, selected at spring auditions of the previous year.

The choir first performed for the annual Fall Music Festival, followed by Holiday in Harmony, in addition to the performance of the traditional "Amahl and the Night Visitors" for the entire public school system. Dr. George Krueger of Indiana University appeared as guest conductor for the Invitational Concert. In March the choir sang a program at Bluffton College. The choir presented, this year, as a part of Springtime Serenade, the musical "Oklahoma." The choir will sing for baccalaureate services, and in addition to these scheduled performances, the choir has sung for numerous service clubs and several school assemblies.

Aside from singing, choir members were able to enjoy good times at our annual caroling party, pot-luck dinners, and picnic at Fort Amanda.

In keeping with tradition, the Senior Choir has made a record to help us recall our enlightening year of music. This record will be on sale to the public.

For the first time in the history of Lima Senior High School a debate society was organized this year with its principal purposes being the study of the United State's government and the provision of a plan for free speech and debate.

Among the club's activities this year have been the writing of a constitution and its approval, the selecting of officers and a club name "The Statesmen," and lectures concerning public speaking and debating given by Richard Heeter, local attorney.

Along with this, members have given individual speeches and participated in group discussions of such topics as the Cuban situation and foreign aid.

Lima Senior High's debate society is recommended to any person interested in Democracy and world affairs.
